

MY FRIENDS AND I

1. Friendship Circles

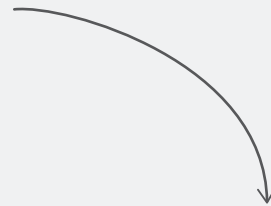

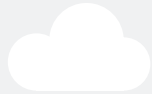

What is friendship?

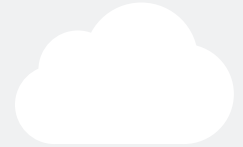

Pick a color for each symbol and color it in

Draw a symbol for each word

Share with a friend the color and symbol for each word

LOVE

HAPPINESS

RESPECT

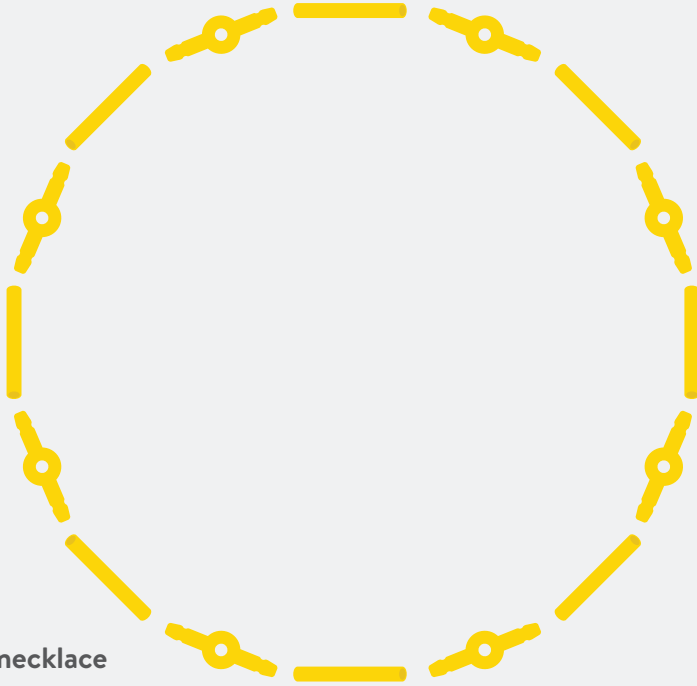

KINDNESS

BUILD A NECKLACE

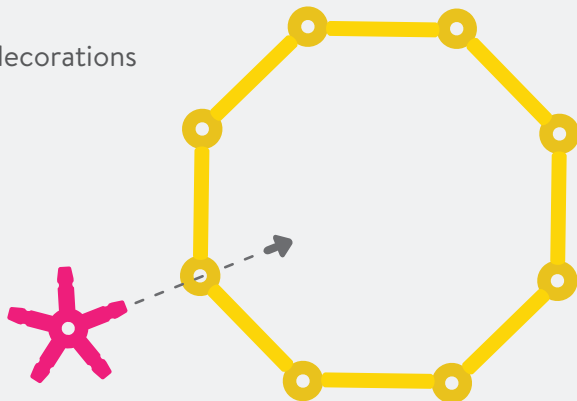

- 1 Count 8 yellow connectors and 8 yellow straws

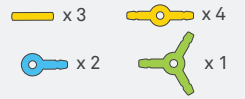

Make a necklace

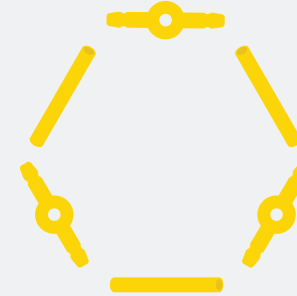

- 2 Add decorations

BUILD A BRACELET

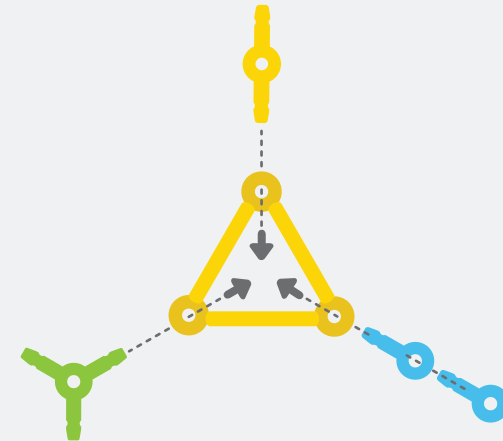

- 1 Count 3 yellow connectors and 3 yellow straws

Make a bracelet

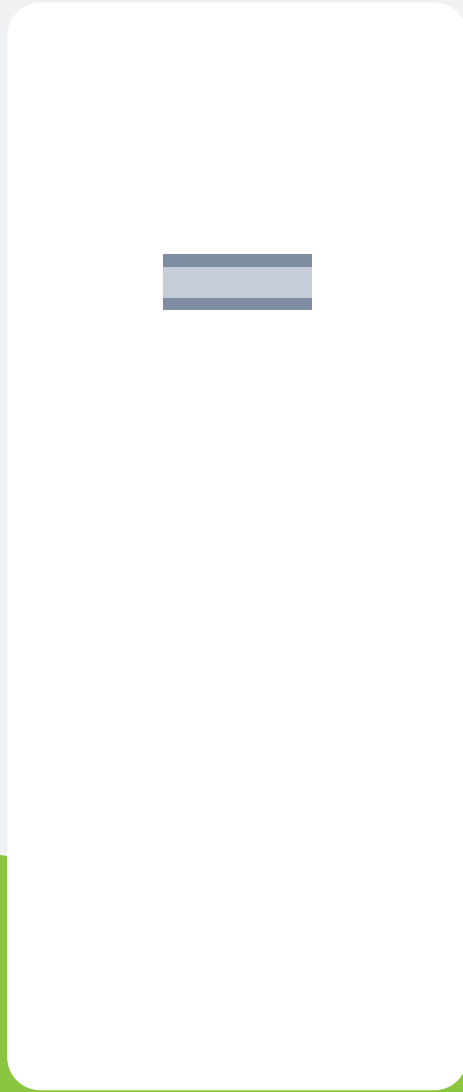

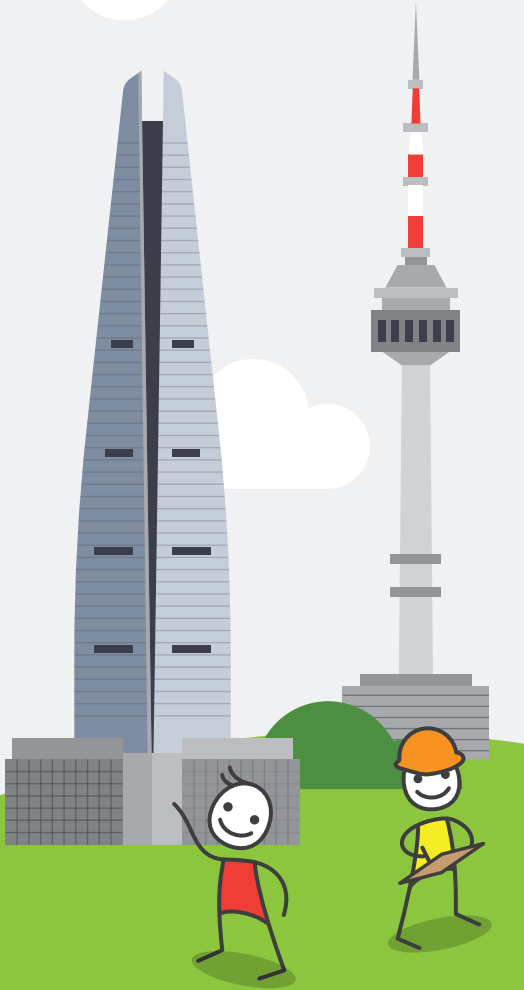

- 2 Add decorations

Share and show your friends what the symbols of friendship means

2. Tower Cubes

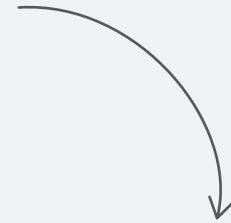

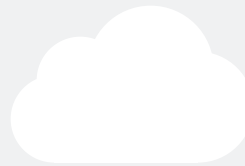

? What are towers made of?

? Sketch a tower.

? Name the shapes you see in the tower.

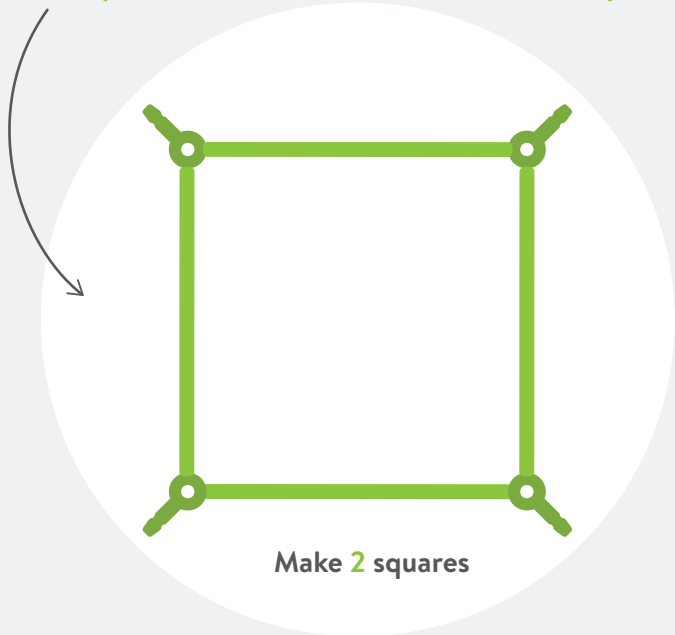

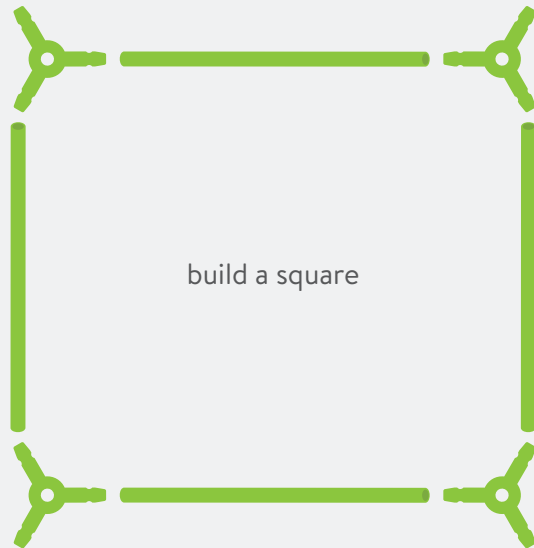

? Draw a city

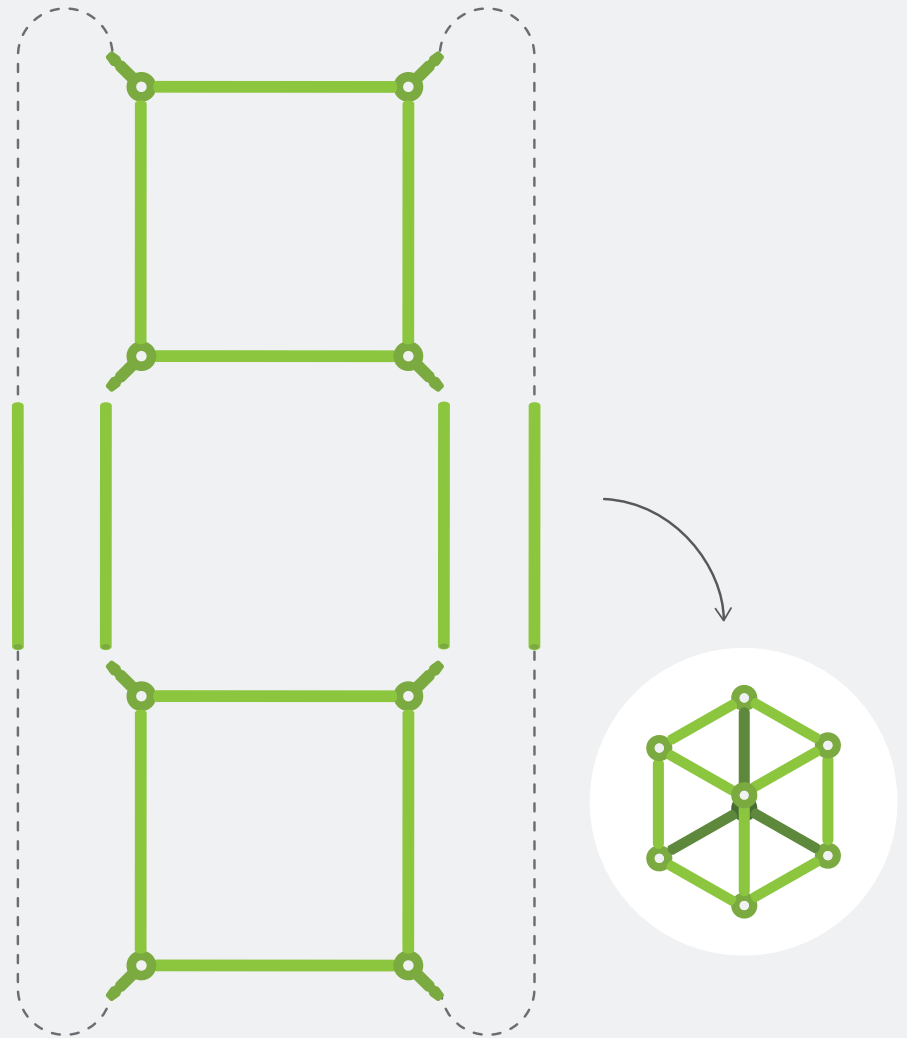

? Can you make a tall tower with blocks?

MAKE CUBES TO STACK

- 1** Count 8 green connectors and 8 green straws

- 2** Count 4 green straws then connect 2 squares to make a cube

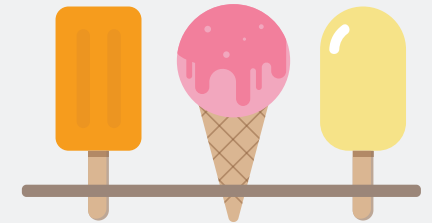

3. Sharing Ice Cream

? Why do we share?

 Draw a scoop of your favorite flavor

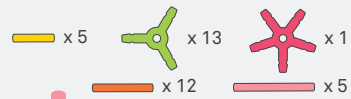

? What does half mean?

 Draw a line from the big scoop to the empty cones

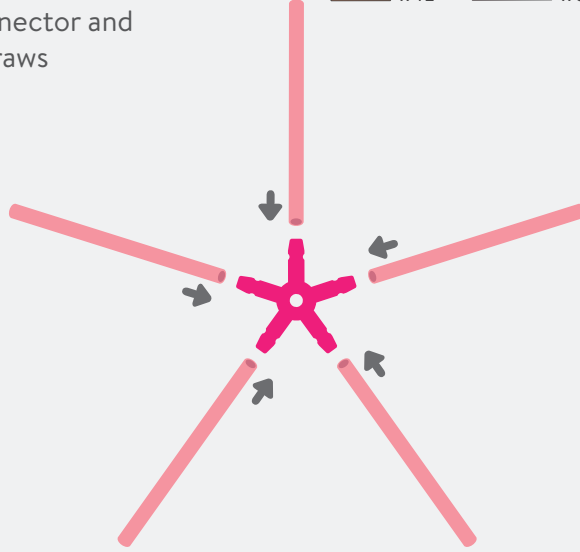

? What flavor will you share?

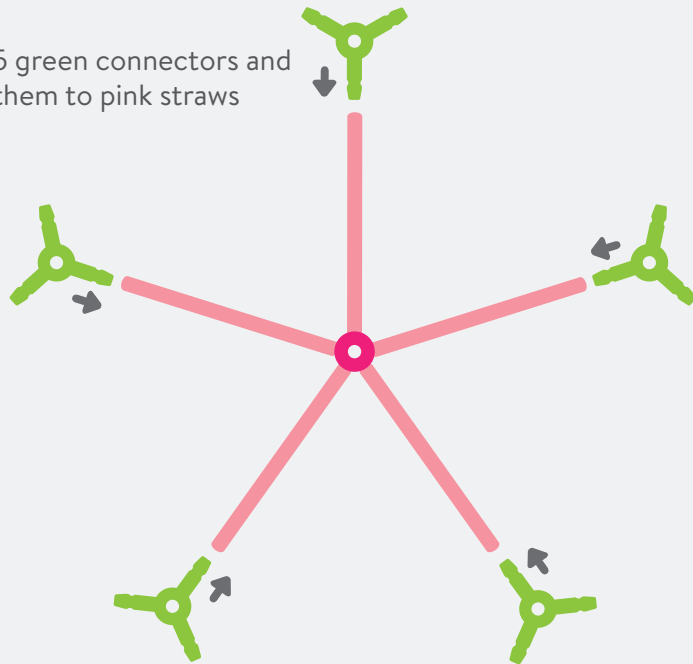

BUILD CONES AND SCOOPS

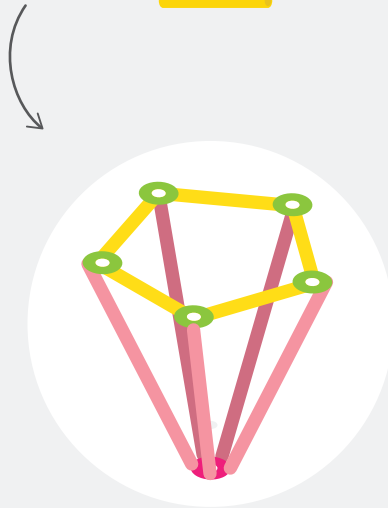

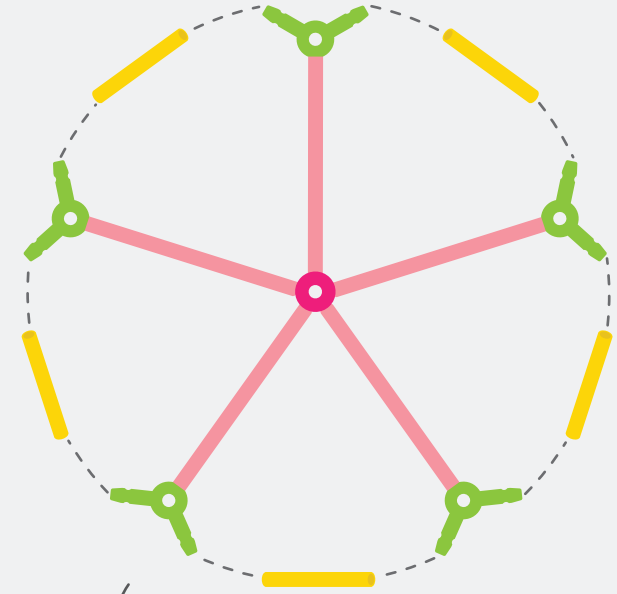

1 Count 1 red connector and attach 5 pink straws

2 Count 5 green connectors and attach them to pink straws

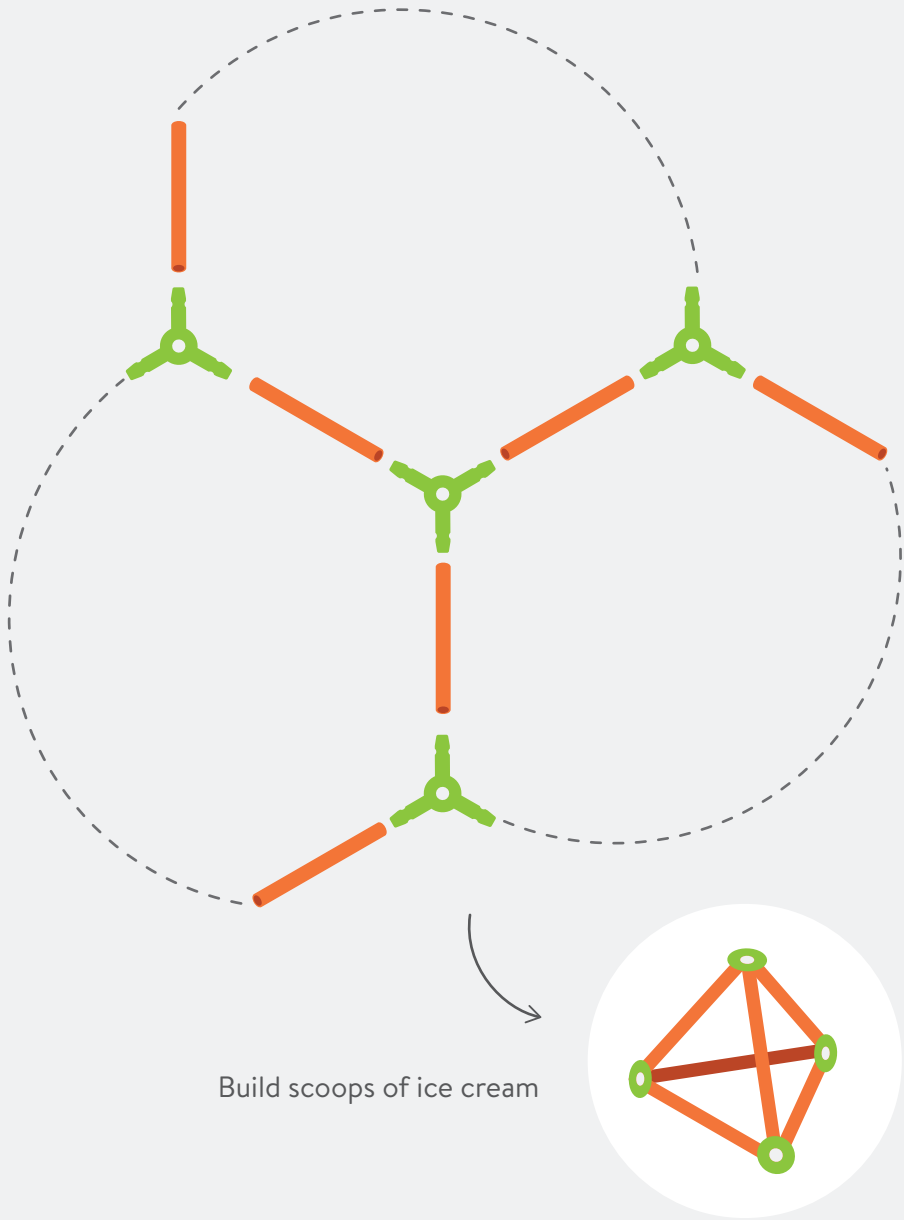

3 Count 5 yellow straws and attach with green connectors

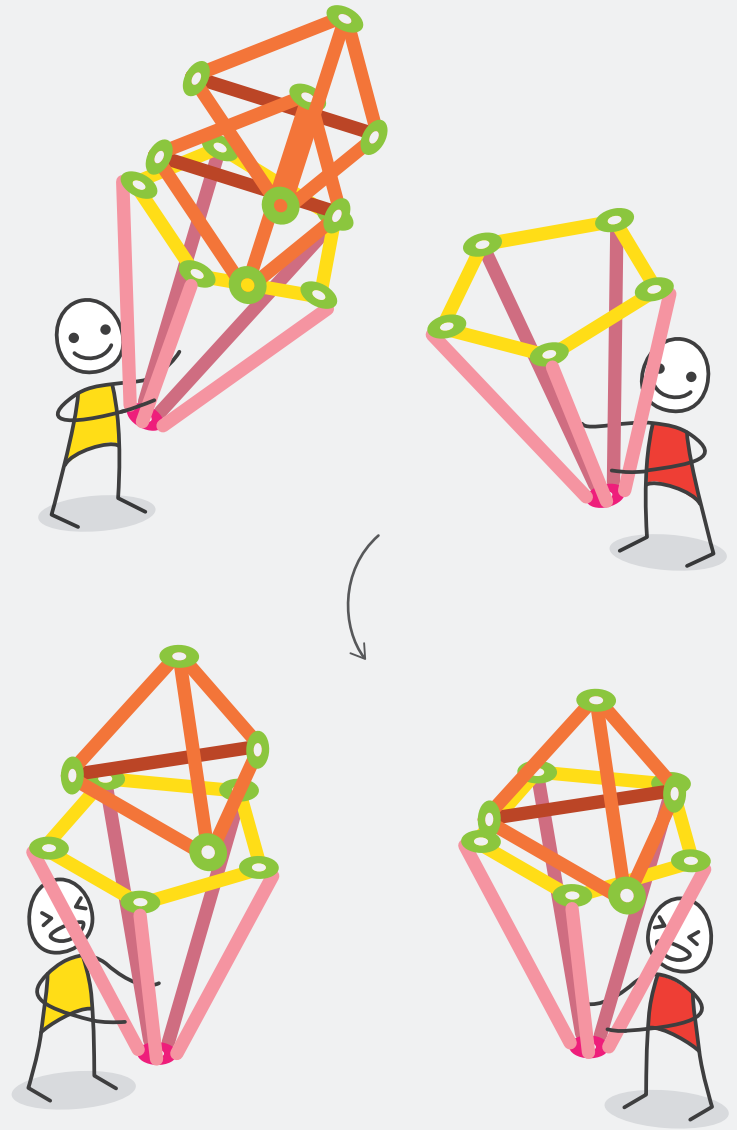

Build the ice cream cone

4 Count 4 green connectors and attach 6 orange straws to make pyramid shape

5 Play a sharing game and pass scoops of your favorite flavor into a friend's cone

4. Collaborative Tree

What does it mean to work together?

Name parts of a tree

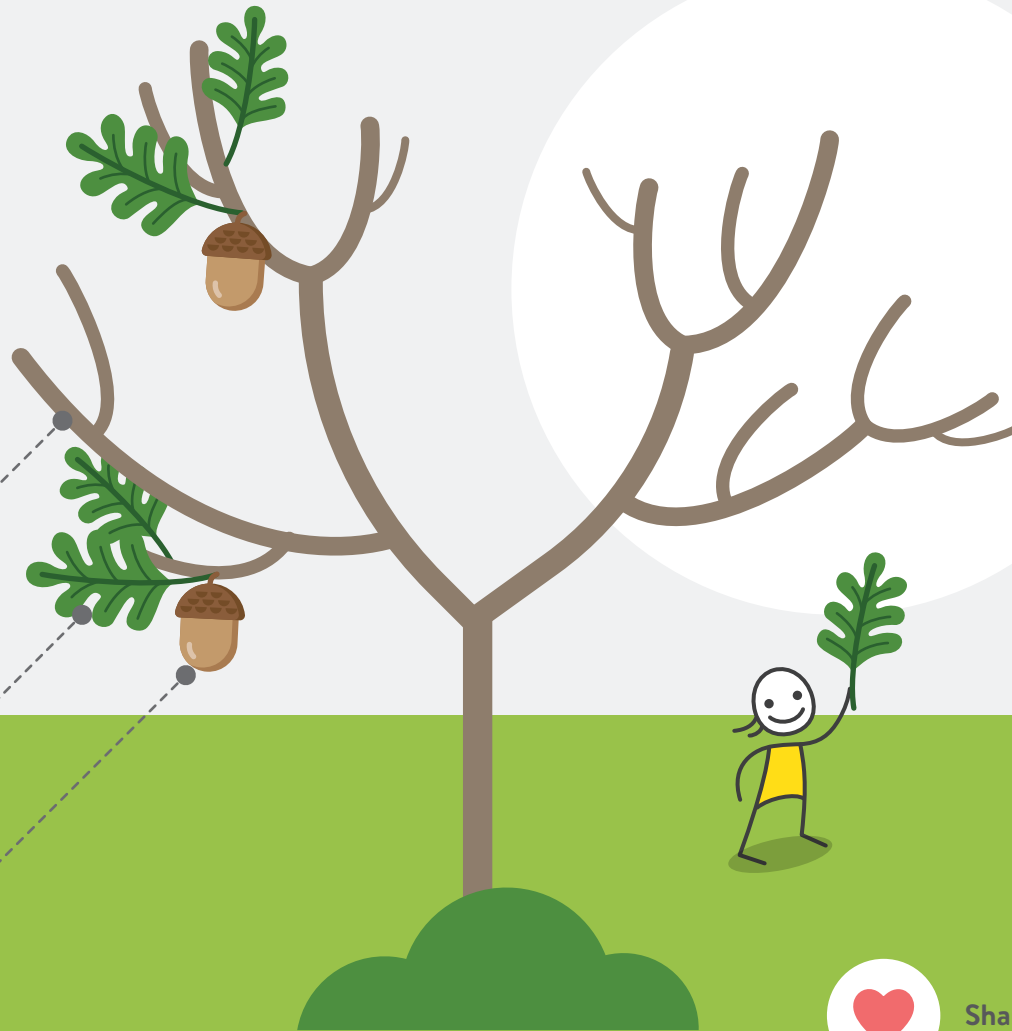

Find a leaf outside

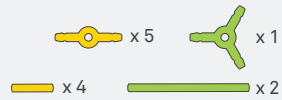

Draw the leaf's shape and textures

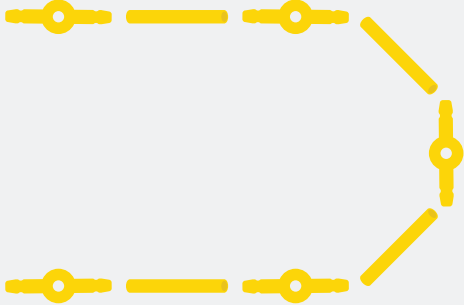

Share your leaf with a friend

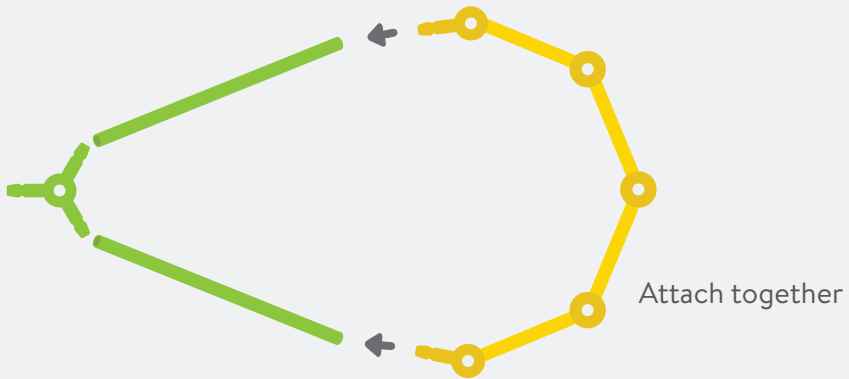

BUILD A LEAF FOR A TREE

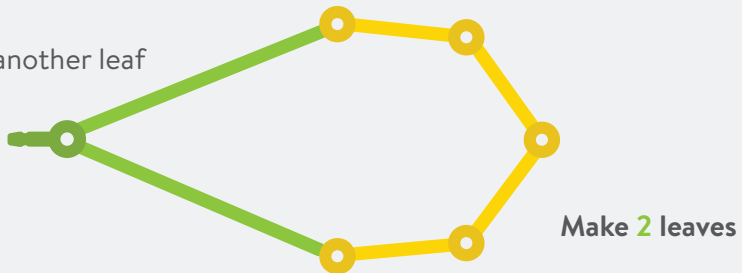

- 1** Count 5 yellow connectors and attach with 4 yellow straws

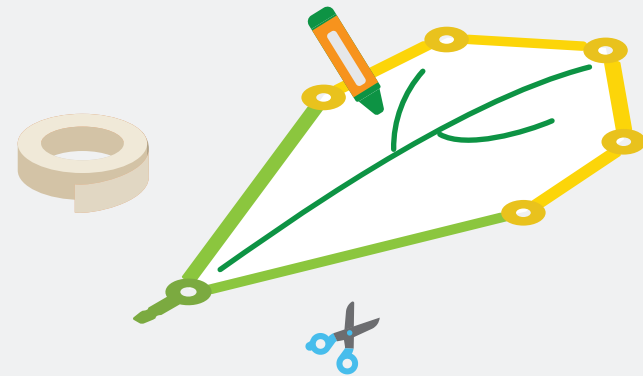

- 2** Count 1 green connector and attach with 2 green straws

- 3** Build another leaf

- 4** Draw the leaf's texture on sheet of paper and tape

- 5** Build a tree trunk with your friends and add leaves on!

Let's work together, share, and always think about others. Play games, make gifts for friends, and build the tallest towers you can!
